Charcoal Drawing

Difficulty - Easy. Some adult assistance required.

ACTIVITY

Charcoal drawing on ribbed kraft paper

SUPPLIES

Tools:

Charcoal
Fixative

Product:

RKA4 Ribbed Kraft Paper

Craft Template:

Not Required

INSTRUCTIONS

1. This is a great and simple activity for the artist on any age and any level. All you need is kraft paper, charcoal and a little creativity.
2. Using your charcoal draw on your kraft paper. We have done a few still life drawings however you can draw any type of image you like.
3. Once your charcoal drawing is finished, lightly spray fixative over the top so the charcoal won't smudge off your kraft paper.
