### INSTRUCTIONS

1. Draw a tree with your markers. Once you are happy with your tree drawing cut out different colour tissue paper to make leaves.
2. Glue your tissue paper leaves around the tree.
3. Using green paint paper dab green around the leaves.
4. Strip different assorted colours of tissue paper and scatter them on the tree.
5. Finally draw roots on the bottom of the tree and add brown tissue paper on top for a dirt effect.
