Tissue Pom Poms

Difficulty - Easy. Some adult cutting assistants required.

SUPPLIES

Tools:

Scissors.

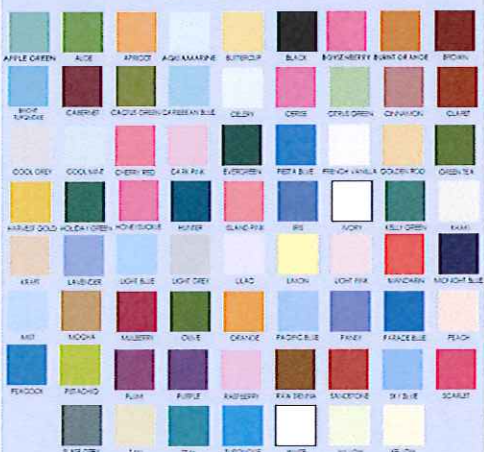

Something to tie tissue, for example:

- Model Wire
- Pipe cleaner
- Floral Wire

Product:

Flat tissue works best, reams of tissue come flat packed. We recommend Satin Wrap tissue that comes in a wide range of colours.

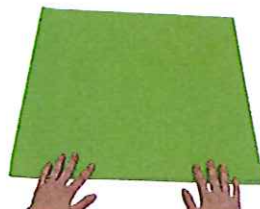

SatinWrap®
PREMIUM QUALITY WRAPPING TISSUE

Alternatively for a cheaper option you could also purchase Elk Tissue.

INSTRUCTIONS

1. Stack 8 500mm 760mm (Satin Wrap) or 500mm X 750mm (Elk) tissue sheets.

2. Make approximately 40mm accordion folds (front back folds like an accordion instrument) creasing with each fold.

3. Once tissue paper is folded tie around the centre your wire, pipe cleaner, floral wire etc.

4. Cut each end with your scissors in a rounded or pointy shapes.

5. One at a time pulling away from the centre separate each layer.

6. Bend wire or pipe cleaner into a loop and fit around the tissue. Twist each end around loop to make secure.
