

## kindershapes | Chick Bookmark

### INSTRUCTIONS

1. Start with a yellow square piece of kindershapes paper. Fold it diagonally in half to form a triangle.
2. Fold the triangle in half to form a smaller triangle.
3. Fold the top layer of the small triangle down to meet the bottom edge.
4. Fold the left and right corners of the triangle up to meet the top point, forming a diamond shape.
5. Tuck the left and right corners into the pocket created by the folded-down top layer.
6. Decorate the bookmark by adding a chick face. Cut out a small beak and crest from the orange kindershapes paper. Cut out small white circles for the cheeks. Glue the beak, crest, and cheeks onto the bookmark. Draw the eyes with a black marker or pen.
