### INSTRUCTIONS

#### 1. Prepare the Shapes:

**Body:** Cut out a large oval or rounded shape from the black posterboard for the penguin's body.

**Beak:** Cut out a small triangle from the orange posterboard for the beak.

**Eyes:** Cut out two small oval shapes from the black posterboard for the eyes.

#### 2. Assemble the Penguin:

**Attach the Belly:** Glue the white belly shape onto the black body shape, aligning it so that it fits neatly in the center.

**Attach the Feet:** Glue the yellow feet to the bottom of the black body shape, making sure they are evenly spaced.

**Attach the Beak:** Glue the orange triangle beak onto the center of the white belly, near the top.

**Attach the Eyes:** Glue the black oval shapes above the beak to create the eyes.
